# CAREER MENTORING

MAKING MEANINGFUL CONNECTIONS

## HOW IT WORKS...

- OCC students and career mentors are paired based on their common professional interests and expertise
- Mentors share their knowledge and assist students with setting goals, making connections, and preparing for their future career
- This no cost program requires at least one virtual or in-person interaction per month over the next year

## GETTING STARTED...

- 1 **Register** using the scannable QR code
- 2 **Complete** a short survey about yourself and your background
- 3 **Get paired** with your program partner (either mentor or student)
- 4 **Make contact** and develop an action plan together
